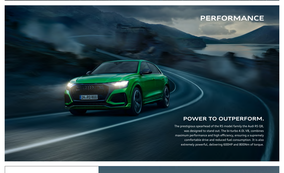
RS Q8
PERFORMANCE IS AN ATTITUDE

The new Audi RS Q8 is high-performance in a new dimension. A 320-kph, with the power of a six-figure sum sports car, it is the fastest Audi RS ever. The elegant design, paired by upscaling of top features Audi RS Q8 indicates expectations of what is possible.



POWER TO OUTPERFORM.

The enormous capacities of the RS Tubocharged engine are matched with the new designed bi-stead unit. The hi-tech, 4.0L V8, combines maximum power and torque with fuel efficiency, presenting a new dimension in sportiness and sophistication. The RS Q8 is also extremely powerful, delivering 600HP and 800Nm of torque.

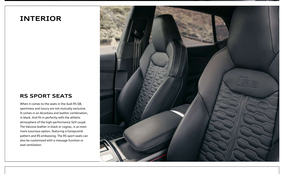
ELEGANCE IN SIMPLICITY

The interior of the new Audi RS Q8 combines uncompromising sportiness and maximum everyday usability. It features a deliberately clear design. The slim horizontal lines underline the sporty character of the interior and create an spacious feel. The ambient lighting contributes this feeling even further, and when combined with the cordless light that frames the lines on the centre console and the door panels, the interior pulls spotlight the RS.



RS SPORT SEATS

When it comes to the interior in the Audi RS Q8, sportiness and luxury are not mutually exclusive. Sports seats with integrated headrests provide comfort, in black. And for perfectly with the athletic atmosphere of the high-performance SUV coupe. The seats are adjustable in 18 ways and offer many more comfortable options. Featuring a manipulated pattern and RS embossing. The RS Sport seats can be ordered in combination with a massage function as seat ventilation.
