

TRAVERSE 2021

CHEVROLET

Traverse High Country in Iridescent Pearl Tricoat (extra-cost color).

ENJOY EVERY JOURNEY.

Whatever your destination, the 2021 Traverse makes sure you get there with impressive style and uncompromising functionality. A sculpted exterior may be the first thing you notice, but open the doors and you'll find a richly refined interior, plus a choice of seating for seven or eight¹ and 98.2 cubic feet of cargo space.² Look closely and you'll discover details that give every Traverse a distinct personality, so you're sure to find one that's your perfect match. Add in available advanced safety technologies and exceptional connectivity and convenience features all around, and there's no doubt Traverse is designed to help you get the most out of every road traveled.

FIND NEW ROADS™

¹ Seating for eight is standard on L and LS; available on LT, RS, Premier and High Country (shown) seat seven. ² With second- and third-row seats folded flat. Cargo and load capacity limited by weight and distribution.

MODELS AND EDITIONS

LS

With a long list of standard features, including seating for eight, Traverse fits your everyday needs.

Premium Cloth seating, tri-zone climate controls and 10 cup holders provide comfort and convenience for passengers. A 3.6L V6 engine, 9-speed automatic transmission and Driver Mode Selector put performance at a premium. And you'll stay connected along the way with an available 4G LTE Wi-Fi® Hotspot¹ for up to seven devices.

LT

A chrome-accented grille with chrome inserts, body-color outside mirrors, Black roof rails and 18-inch aluminum wheels ensure you're always in style.

Choose from seven- or eight-passenger seating, along with cloth or available leather-appointed front and second-row seating surfaces. LT Leather further enhances your experience with heated driver and front passenger seats, advanced safety features, a programmable power liftgate and a remote vehicle starter system. The third-row 60/40 bench seat is a durable vinyl to help with easy cleanups.

¹ Service varies with conditions and location. Requires active service and paid AT&T data plan. Visit onstar.com for details and limitations.

MODELS AND EDITIONS

SPORT EDITION

Traverse with the new Sport Edition is ready to play.

Available on LS and LT in a variety of exterior colors! Sport Edition gets in the game with 18-inch gloss Black-painted aluminum wheels, plus a Black Ice grille, fog lamp bezels and liftgate appliqué. Highlights also include Black roof rails, Black Traverse badging and Black bowtie emblems.

MIDNIGHT EDITION

Daytime is fine. Some just prefer the dark.

The new Midnight Edition begins with a Black Ice grille, fog lamp bezels and liftgate appliqué, complemented by 18-inch gloss Black-painted aluminum wheels. The theme continues with Black bowtie emblems, Black roof rails and Black Traverse badging. Available in Mosaic Black Metallic on LS and LT.

¹ Not available in Mosaic Black Metallic.

MODELS AND EDITIONS

RS

Get ready for the stares, because the bold, sporty RS is designed to stand out in any crowd.

Head-turning style comes in the form of Black Chevrolet bowtie emblems, Traverse badging, grille, fog lamp bezels, window trim and roof rails, and continues with 20-inch dark-painted aluminum wheels.

Inside, Jet Black leather-appointed front and second-row seating surfaces set the tone. And Chevy Safety Assist¹ with six driver assistance features helps you stay safe on the road.

¹ Chevy Safety Assist includes Automatic Emergency Braking, Front Pedestrian Braking, Lane Keep Assist with Lane Departure Warning, Forward Collision Alert, IntelliBeam and Following Distance Indicator. Read the vehicle Owner's Manual for important feature limitations and information.

MODELS AND EDITIONS

PREMIER WITH REDLINE EDITION

Enjoy your time in the spotlight.

The available Redline Edition shines bright with signature Black and Red Traverse badging and 20-inch gloss Black-painted aluminum wheels with Red accents. But that's only the beginning. Black Chevrolet bowtie emblems, grille, fog lamp bezels, window trim and roof rails are complemented by dark taillamps. Finishing the look is the stunning SkyScape® dual-panel sunroof.

MODELS AND EDITIONS

PREMIER

Modern sophistication is defined by Traverse Premier.

This upscale SUV features 20-inch bright machined-face aluminum wheels, a dual-outlet exhaust with rectangular tips, body-color lower moldings with chrome inserts and chrome roof rails. LED D-Optic headlamps and a hands-free power liftgate are standard. Perforated leather-appointed front and second-row seating and heated and ventilated front seats help provide comfort in any climate.

MODELS AND EDITIONS

HIGH COUNTRY

Prepare to get everything you deserve in an SUV. This is the best of Traverse.

The SkyScape dual-panel sunroof is made for savoring high altitudes. A unique chrome grille and 20-inch aluminum wheels are attractive additions. And standard trailering equipment lets you bring some of the fun along.

A choice between an exclusive Loft Brown or Jet Black interior — complete with premium perforated leather-appointed front and second-row seating — is yours to make. And power-folding third-row seating is standard, as are all the safety and driver assistance features Traverse offers, including Adaptive Cruise Control¹ and Enhanced Automatic Emergency Braking¹.

¹ Read the vehicle Owner's Manual for important feature limitations and information.

INTERIOR DESIGN

Traverse High Country interior in Jet Black with Jet Black accents.

MAKE YOURSELF AT HOME.

- Keyless Open and Start, tri-zone automatic climate controls, USB ports¹ in all rows, the Chevrolet Infotainment 3 system² with a touch-screen display and a theft-deterrent system are all standard.
- An 8-way power driver seat is standard on LT, LT Leather, RS, Premier and High Country. A 6-way power front passenger seat is included on LT Leather, RS, Premier and High Country.
- Memory settings for the driver seat, steering column and mirrors and a heated steering wheel are all included on Premier and High Country.
- Active Noise Cancellation and numerous other acoustic enhancements help make Traverse a quiet environment.

¹ Not compatible with all devices. ² Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices.

INTERIOR DESIGN

Traverse High Country interior in Loft Brown with Jet Black accents.

COMFORT IN ANY SITUATION.

Premier and High Country feature **perforated leather-appointed front and second-row seating surfaces** and heated and ventilated front seats, along with a heated steering wheel.

Second-row outboard passengers enjoy the comfort of heated seats as well. High Country adds **sueded microfiber accents** on the instrument panel and doors.

On LT models, no matter which seating configuration you decide is right for your family, you can choose available leather-appointed seating surfaces for the front and second rows.

With one panel over the front seats and another over the second row, the available **SkyScape dual-panel sunroof** seems to bring a little of the outdoors inside Traverse.

An express-open feature allows the front panel to fully slide open at the single touch of a button. And both panels have sunshades to control brightness.

Rear Seat Reminder activates when the rear doors are opened and closed up to 10 minutes before or anytime while your vehicle is on, so when you turn off the engine, under certain

conditions, you will get a reminder to double-check for valuables left behind. This feature does not detect people or items. Always check the rear seat before exiting.

Traverse is flexible enough to easily **carry passengers, cargo or both.** With this type of versatility, you might think the possibilities of who and what you can take along are nearly endless.

¹ Cargo and load capacity limited by weight and distribution.

It's good to have choices, and that includes the number of seats in your SUV. **Seven-passenger seating** – with second-row captain's chairs – is standard on Traverse LT, RS, Premier and High Country.

For those who find they need room for just one more person, Traverse has the answer. **Eight-passenger seating** – with a three-passenger second-row bench seat – is standard on L and LS, and available on LT.

CARGO MANAGEMENT

FLEXIBLE FUNCTIONALITY.

- Traverse offers 98.2 cubic feet¹ of maximum cargo space when you fold the second and third rows virtually flat.
- With all the seats up, Traverse offers 23 cubic feet¹ of cargo space.
- The Smart Slide second-row seat lets you slide and tilt forward the passenger-side seat for quick and easy access to the third row.

¹ Cargo and load capacity limited by weight and distribution.

Traverse Premier interior in Medium Ash Gray with Dark Atmosphere accents and available features.

Hidden storage in the rear cargo floor compartment.

Smart Slide second-row seat. Standard with split-bench seat and captain's chairs.

Hands-free gesture power liftgate. Standard on Premier and High Country.

Hidden, lockable storage behind the touch-screen.
Standard on LT Leather, RS, Premier and High Country.

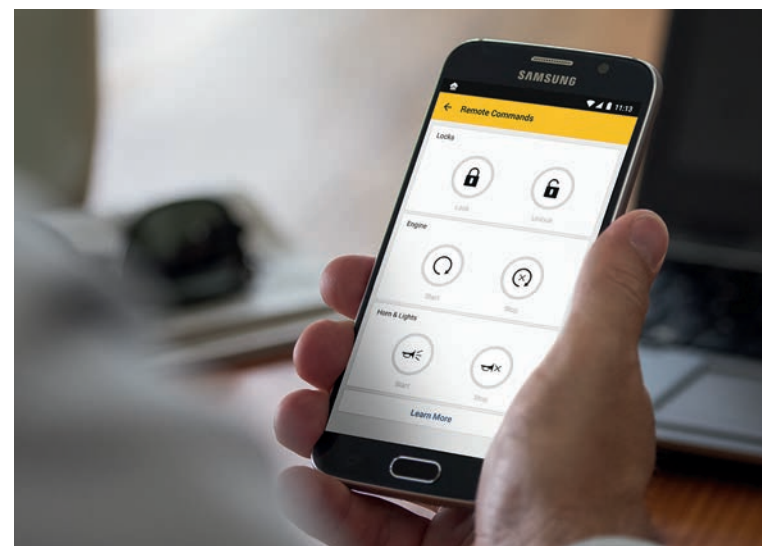

TECHNOLOGY

Available Rear Camera Mirror¹ activates with the pull of a lever.

Apple CarPlay^{®2} compatibility for your iPhone[®] (shown) and Android Auto^{™3} compatibility.

Teen Driver technology includes a Buckle to Drive feature.

Available myChevrolet Mobile App⁴ includes remote vehicle start if properly equipped (requires paid plan).

¹ Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information. ² Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. ³ Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 or higher. Data plan rates apply. ⁴ Available on select Apple and Android devices. Service availability, features and functionality vary by vehicle, device and the plan you are enrolled in. User terms apply. Device data connection required. Visit onstar.com for details and limitations.

CONNECT TO THE WORLD AROUND YOU.

- HD Surround Vision¹ uses multiple cameras to display a digital overhead image of the area around your vehicle along with Rear Vision Camera or front camera views. It helps you park and avoid nearby objects at low speeds. Standard on RS, Premier and High Country. Available on LT Leather.
- The Chevrolet Infotainment 3 system² is intuitive and easy to use, with a standard 7-inch or available 8-inch diagonal color touch-screen display.
- With available Alexa Built-In³, you can use voice commands to stream your favorite music, get directions, make calls, change your radio station and more — on the go.

SAFETY AND DRIVER ASSISTANCE

New on the 2021 Traverse, Chevy Safety Assist is a comprehensive safety package that includes Automatic Emergency Braking, Front Pedestrian Braking, Lane Keep Assist with Lane Departure Warning, Forward Collision Alert, IntelliBeam® and Following Distance Indicator. It's standard on RS, Premier and High Country and available on LT.

Automatic Emergency Braking. At speeds below 50 mph, this feature works with Forward Collision Alert to help you avoid or reduce the severity of a front-end collision with a detected vehicle you're following by automatically providing hard emergency braking or enhancing the driver's hard braking.

Front Pedestrian Braking. At speeds below 50 mph, this feature can help you avoid or reduce the severity of a front-end collision with a pedestrian it detects directly in front of you. It provides pedestrian alerts and can even automatically provide hard emergency braking or enhance the driver's hard braking. Limited nighttime and low-visibility performance.

Traverse offers a number of available driver assistance features.

Adaptive Cruise Control. While you steer, this feature can automatically maintain a driver-selected gap time from the detected vehicle you're following. Standard on High Country.

Lane Change Alert with Side Blind Zone Alert. This feature can provide side mirror visual alerts when a detected moving vehicle is quickly approaching or is in your side blind zone. Standard on LT Cloth AWD, LT Leather, RS, Premier and High Country. Available on LT FWD with Convenience and Driver Confidence Package.

Lane Keep Assist with Lane Departure Warning. Uses a brief, gentle steering wheel turn to alert you when you may be unintentionally drifting out of detected lane lines, so you can steer to stay safely in your lane. If needed, you may receive additional Lane Departure Warning alerts. System alerts do not occur if you are using your turn signal or it detects that you may be intentionally leaving your lane.

Forward Collision Alert. Can warn you if it detects a potential front-end collision with a vehicle you're following. It can also provide a tailgating alert if you're following much too closely.

IntelliBeam. Can automatically turn the vehicle's high beam headlamps on and off according to surrounding traffic conditions.

Following Distance Indicator. This feature can display the gap time in seconds between your vehicle and a detected vehicle you're following.

Rear Vision Camera. This feature provides an image of the area directly behind your vehicle when traveling in Reverse at low speeds. Standard on all models.

Rear Cross Traffic Alert. This feature can warn you of detected left or right cross traffic behind your Traverse when in Reverse. Standard on LT Cloth AWD, LT Leather, RS, Premier and High Country. Available on LT FWD with Convenience and Driver Confidence Package.

Rear Park Assist. Can provide distance alerts to nearby detected objects behind your vehicle to help you park and avoid collisions when traveling in Reverse at low speeds. Standard on LT Cloth AWD, LT Leather, RS, Premier and High Country. Available on LT FWD with Convenience and Driver Confidence Package.

Safety starts with you. Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

PERFORMANCE

Traverse Premier in
Black Cherry Metallic.

POWER AND PERFORMANCE.

Delivering 310 horsepower along with 266 lb.-ft. of torque, the **3.6L V6 engine** is paired with a 9-speed automatic transmission for effortless performance. There's also stop/start technology which, in certain conditions, allows the engine to automatically shut off when the brake is applied and the vehicle comes to a stop. When the brake is released, the engine

automatically turns back on. And with available factory-installed trailering equipment, you can **tow up to 5,000 lbs!**

Driver Mode Selector offers up to four modes and lets you adjust performance based on road and surface conditions with the simple turn of a dial. FWD is your setting for everyday driving and

the best fuel efficiency;² Off-Road (AWD models only) sends more torque to the rear wheels; 4x4 (AWD)/Snow (FWD) helps offer better control when snow and ice make road conditions slippery; and Tow/Haul (if properly equipped) helps keep Traverse in a lower gear, offering more torque when you're pulling a trailer.

Available **switchable all-wheel drive** enhances traction and control on slippery or snow-covered roads. You can leave it on year-round, since the rear wheels only engage when the system senses reduced traction. In FWD mode, AWD components completely disengage for greater fuel efficiency.²

¹ Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. ² EPA-estimated MPG city/highway 18/27 (FWD), 17/25 (AWD).

¹ Read the vehicle Owner's Manual for important feature limitations and information. ² A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information. ³ When you select a monthly plan within 30 days of activating your 1-month trial, you'll receive the first 2 months of the plan you select at no additional charge when you associate an approved payment method on file to your account and authorize recurring payments for your service plan. The amount and frequency of each recurring payment is based upon the service(s) and payment interval(s) you select from the options provided. After the trial expires, OnStar will automatically bill your payment method monthly at then-current standard monthly rates. Plans containing 4G LTE data will be billed every 30 days by AT&T. You may cancel at any time by pushing your blue OnStar button or calling 1-888-466-7827. May not be combined with other offers or retroactively applied. Offer subject to change. ⁴ Advisor-based Turn-by-Turn Navigation is subject to User Terms and limitations, and varies by vehicle model. Map coverage available in the United States, Puerto Rico and Canada. ⁵ Does not detect people or items. Always check rear seat before exiting.

5 years/60,000 miles⁹ of Roadside Assistance¹⁰ and Courtesy Transportation.

¹ Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. ² Cargo and load capacity limited by weight and distribution. ³ Must be 18 years or older. Points may be earned and redeemed only at participating GM entities, dealers or third party retailers in the United States (excluding Puerto Rico, the U.S. Virgin Islands or Guam). Points are not earned on taxes or certain fees, and expire 5 years from when points are earned. Some restrictions apply. For more information, please view full program Terms & Conditions. ⁴ Members may use the voucher on eligible Chevrolet, Buick, GMC and Cadillac Accessories purchased through a participating dealership. Voucher must be used by expiration date noted. Any unused amount of the voucher will be forfeited. ⁵ Excludes taxes, fees and body shop repair orders. It could take up to 15 days for points to post to your account. ⁶ Connected vehicle services vary by vehicle model and require working electrical system, cell reception and GPS signal. Requires active service plan. OnStar links to emergency services. Visit onstar.com for details and limitations. ⁷ Not compatible with some other offers, including the GM Employee Discount programs. Excludes 2020 Chevrolet Corvette. Dealer contribution may affect final consumer cost. ⁸ Maintenance visit must occur within first year of vehicle delivery. Service visit consists of ACDelco dexos1™ Full Synthetic Oil and Filter Change/Tire Rotation/MPVI. Does not include air filters. See participating dealer for other restrictions and complete details. ⁹ Whichever comes first. See dealer for details. ¹⁰ Roadside service provided by Allstate Roadside Services. Limitations apply.

IMPORTANT INFORMATION

Chevrolet Owner Center (my.chevrolet.com). Everything you need to know. Anything you need to do. Your Chevrolet Owner Center makes it easy. Create your account today to get the most out of your new vehicle. Get special alerts and offers, schedule service, review your maintenance schedule, and view how-to videos specifically for your vehicle. All online, anytime. Visit the Owner Center today to register or take a tour.

Engines. Chevrolet products are equipped with engines produced by GM Global Propulsion Systems or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

Assembly. Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

Chevrolet Connected Services and OnStar. Connected vehicle services vary by vehicle model and require an active service plan, working electrical system, cell reception and GPS signal. OnStar links to emergency services. Visit onstar.com for details and limitations.

A note on child safety. Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information.

Important words about this catalog. We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog

and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Mid SUV-Crossover segment and latest available competitive information. Excludes other GM vehicles.

Fleet orders. Some standard content may be deleted on fleet orders. See dealer for details.

Chevrolet ownership experience. Chevrolet is committed to enhancing the vehicle shopping and ownership experience through a wide array of programs. Visit chevrolet.com to build and price, find a vehicle, request a quote, compare vehicles, find financial tools or track your vehicle order. You'll also find information about 24-hour Roadside Assistance, Courtesy Transportation, Customer Assistance, GM Mobility, safety and current incentives.

Chevrolet.com/safety. Chevrolet is committed to helping keep you and your family safe — from the start of your journey to your destination. That's why Chevrolet vehicles offer standard and available safety and security features to help give you peace of mind.

GMmobility.com (1-800-323-9935). GM MobilitySM offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmmobility.com.

The BuyPower Card. The Chevrolet BuyPower Card — Every purchase you make with the BuyPower Card from Capital One^{*} helps you earn toward an eligible new Chevrolet, Buick, GMC or Cadillac vehicle. There's no limit on the amount you can earn or redeem, and your Earnings don't expire. Visit chevroletbuypowercard.com/catalogs.

* Capital One, N.A. is the issuer of the BuyPower Card. General Motors ("GM") is responsible for the operation and administration of the Earnings program.
